

Coverack Monday Club - Dates 2017

Monday Club is open to everyone. It was set up to bring people together over a cup of tea and a slice of cake. Our aim is to create a welcoming atmosphere to welcome old and new residents into our community. We have evolved into a productive group involved with local community projects as well as helping our local residential home residents to go out and about. Guests from the local area come and join us to tell us about their group, or projects that some of us might like to get involved in. If you would like to join us then please pop in. If you need a lift or want more information then please contact Vanessa 280 402
